THE BOOK

This compilation is fifth in our *Subject Bibliography Series*, the earlier volumes being on Budhism, Gandhiana, Agriculture, Hinduism and the sixth and and seventh being on Jainism and Prof. Noam Chomsky, the renowned linguist.

It lists over 3,500 research and general interest articles from 149 journals and the dailies *The Times of India* and *The Economic Times* published through the twenty-two year period from 1962 to 1983. Sunday editions of several national daily newspapers have also been surveyed for important material. A complete list of journals indexed in the volume, with their abbreviations, has been given to facilitate the readers in obtaining articles of their particular interest. A list of publishers whose books have been reviewed in the journals has also been given.

The articles have been classified and arranged on the dictionary pattern in two separate sections by Authors and Subjects in an alphabetical sequence, with a view to provide the most easy form of consultation.

It is a highly useful bibliographical guide for the scholars and students of Sanskrit language and literatue.

SAMPLE ENTRY

SANSKRIT authors and scholars

Some distinguished traditional Sanskrit scholars. Rajani Kanta Deva Sarma *J Univ Gauhati* 15(1) 1964 83-91

EXPLANATION :

An article on the subject of 'Sanskrit scholars' entitled "Some distinguished traditional Sanskrit scholars" by Rajani Kanta Deva Sarma will be found in volume 15, Number 1, 1964 issue of the *Journal of the University of Gauhati* at pages 83-91

PREFACE

This compilation is fifth in our *Subject Bibliography Series*, the earlier volumes being on Buddhism, Gandhiana, Agriculture, Hinduism and the sixth and seventh being on Jainism and Professor Noam Chomsky.

It lists over 3,500 research and general interest articles from 137 journals and the dailies *The Times of India* and *The Economic Times* published through the twenty two year period from 1962 to 1983. A complete list of journals indexed in the volume, with their abbreviations, has been given to facilitate the readers in obtaining articles of their particular interest. A list of publishers whose books have been reviewed in the journals has also been given.

The articles has been classified and arranged on the dictionary pattern by authors and subjects in an alphabetical sequence, with a view to provide the most easy form of consultation.

This compilation, I believe, will be useful to the librarians, researchers, and students of Sanskrit Language and Literature.

We shall be grateful for suggestions for the improvements in future editions of this work.
